

MEMORANDUM FOR: []

STATINTL

Following our discussion of membership on the Honor and Merit Awards Board and on the Suggestion and Invention Awards Committee, I talked with [] who agrees to continue as the DD/S member of the Honor and Merit Awards Board. I then talked with [] who agreed to serve as the DD/S member of the Suggestion and Invention Awards Committee. But I have an alternate suggestion in this regard.

As you suggested, Commo expressed a keen interest in membership or alternate membership on the Board and Committee. [] wants to check with [] and, if they approve, he would like to recommend the alternate member for the Honor and Merit Awards Board and the principal member of the Suggestion and Invention Awards Committee. If this is done, we would need to talk with [] and explain the rotation principle and with [] to change his appointment from principal member to alternate on the Suggestion and Invention Awards Committee. I feel sure that [] will all agree to this. [] should give you a call in a few days.
